Mark your calendars for this special time!

Continue to Collect Box Tops for CCA!

Please don't stop collecting box tops through the spring and summer. Box tops are changing and as a result soon it'll be no more clipping! Just download the Box Tops app, shop as you normally would, then simply scan your store receipts to find participating products. The app will automatically credit your school's Box Tops earnings online. It only takes a minute to download the app and search for CCA under our zip code. Please consider taking this small step to help us reach our goal of raising \$1000 this year. Thanks!

Friendly Reminders

- *Parents, please be sure you are monitoring your children after school hours. Students should not be playing in the parking lot unless it's in a designated area that is not in harms way and being monitored by an adult. Students should not be in the road, climbing trees or standing on the wooden planters. Thank you for helping keep CCA a safe environment!*
- *In efforts to keep the school secure and safe at all times, we ask that parents and students do not open the front door of the school to anyone during school hours. It is important for the administration to know who is in the*

building at all times. Please escort someone you do not recognize to the front office if they are trying to come in the school while you are exiting. We truly appreciate your help to keep CCA as safe as possible.

- *Thank you for sending eating utensils to school with your child if they stay for Thursday lunch. CCA does not have enough to supply students with utensils each week (though we can help when they are forgotten on occasion).*
