Literature Festival—October 31 (more details to come)

End of First Quarter—October 31

Q1 Parent Teacher Conferences—Friday, November 8, 8am – 12pm

Talent Show—Thursday, November 21

CCA Fall Festival Update

The Fall Festival had a huge turnout despite the rainy evening. The evening pulled in \$1,170 from the silent auction and chicken drop bingo! The bake sale and veggie stand made \$365 that will go towards the 7th and 8th grade fundraising efforts for their Washington DC trip. Thank you to everyone who braved the weather to support CCA and enjoy wonderful fellowship with this annual tradition!

Do you have old devices laying around your house?

The CCA 7th and 8th graders are doing fundraisers for their trip to Washington DC next May. Your old devices can help them get there! CCA is collecting old devices and ink jet cartridges that we can send in to be responsibly recycled and get paid in return! What you need to know:

- All working and non-working devices (cell phones, ipads, kindles, etc) of any age and small ink jet cartridges can be donated. Laptops are not accepted.
- The donations are tax deductible. There will be some tax deduction forms by the donation box if you would like to take one.

Drop off in the designated donation box at CCA anytime before October 17!

Carwash

CCA 7th and 8th graders will be doing a carwash on Saturday, October 12, 10-am-12pm at Southgate Church (6541 S. College Ave. – at the corner of College and Trilby). These middle school students, who are trying to earn money for their upcoming Washington DC trip in May, are asking for a suggested \$10 donation per car. Stop by to get your car washed and support these amazing students!

FRIENDLY REMINDERS

Arriving to School on Time—There are still a few families arriving to school late on a regular basis. It is very important to get your child to school **no later than 7:45am** for K-8th grade students. It is a huge distraction when students are arriving 5-10 minutes into class time. Thank you for respecting our school hours.

When to Keep Your Child Home

Typically cold and flu season wait a few months before they hit, however, this year it seems it came with the onset of school. Many students have already experienced fevers, vomiting/diarrhea, colds and coughs to varying degrees. Please review the “When to Keep Your Child Home” form emailed with the newsletter to help you better determine when you need to keep your child home from school. Thank you for keeping our school environment as healthy as possible.

Dress for the Weather

Per CCA policy, students will go out for recess whenever the weather is above 20 degrees, unless it is actively snowing or raining. Be sure your child is dressed for the weather on cold days so they can enjoy recess.

Two Pairs of Shoes

Be sure your child has TWO pairs of shoes each day for wet/muddy days. Students must have shoes on while in the building for safety reasons. In order to keep carpets as clean as possible, we ask each child to have an extra pair of shoes in their backpack or locker at all times. Crocs, flip/flops and slippers can work for this purpose.

Needs

- We need a couple people available this Saturday (October 5) at 2pm to help unload a playground set from a delivery truck. If you are available to help with this project, please notify Trish or Cherese.
- **Handy-Man List**
CCA is looking for a couple of men/women who are handy with installing or fixing random things throughout the school year on an as needed basis. It would save the school a lot of money to be able to call a willing parent for odd jobs as they arise rather than use our management company. If you would like to be on this list, please notify Cherese. Thank you for considering serving in this important way.
