

FEES AND FINANCIAL POLICY CHRISTIAN CORE ACADEMY

Christian Core Academy is an independent Christian school, operated solely on the tuition and contributions it receives. The following fees represent CCA's goals of offering a reasonable academic opportunity and maintaining financial credibility with its staff and creditors. However, behind the financial procedures is a deep awareness that it is GOD alone that causes a school to stand or to fall. God's provision has brought us each step we have taken and it is with deep gratitude that we anticipate each new step. Keep open communication with the school regarding your financial commitment. Make sure you understand your financial responsibilities and that the school office is aware of any changes you may need to make. If for any reason payment is to be late, notify the school immediately.

These installments can be paid by cash, check or via our online invoicing system. **Payment is late after the 5th day of the Installment Due Date, and a \$50.00 late charge will be assessed. Transactions returned will be assessed a \$25.00 service fee.**

Note: A \$200 per student discount per semester will be deducted for additional child(ren) in the same family. Discount applies to grades K-8th.

Tuition for students is an annual fee with the following payment options.

Please select one of the following options for tuition payment: _____ Semester in full _____ Installment

Early Withdraw: Families wishing to withdraw from CCA during the school year must give advanced notice, pay tuition for the entire current month, plus pay an early withdrawal penalty equal to one installment. This will be charged for each student who withdraws early. Example: On Oct 12th I notify CCA that my child will be withdrawing. That family is responsible for the entire month of October tuition, plus one additional installment to be paid to CCA. No release of records will be allowed until payment is made in full. For families who paid their semester in full with a discount, this discount will be forfeited and total tuition due will be recalculated based on the installment plan plus the withdrawal penalty fee before any refunds for tuition are given.
